Hello Vulchi,

Thank you for your interest in pursuing a career at EPAM! Your online Technical Interview is confirmed.

If you have any questions or need assistance, please contact jugal_kishore@epam.com.

To Join the Interview:

1. Click [here](#) to access the EPAM Interview Platform. You'll need a computer or laptop with a web-browser (Google Chrome is recommended), stable Internet connection, speakers, microphone and a webcam. It is recommended to install

the Zoom application for users of the Safari browser as well as for users of mobile devices.

2. Click "Join Interview".

3. Check the box if you consent to media recording and use of a webcam during the interview.

Having started an Interview you will be able to tune your microphone, speakers and camera.

What You Should Know:

- We may contact you via phone, email, Skype or Google Hangout if connection issues arise.

- Depending on the position you're interviewing for, we may ask you to write code.

Wish you all the best!

The EPAM Team
